Details of the occupational standard

Occupation summary

This occupation is found in the public, private and voluntary sectors in national and multinational organisations. The role of the learning and skills mentor can be found in all sectors where training and development is required. For example, but not limited to, healthcare, military, manufacturing, production, business and professional, education, leisure, construction, creative, technology.

The purpose of the learning and skills mentor occupation is to support individuals and groups with their learning and development towards agreed goals. They will do this by working within ethical and legal frameworks to ensure a high standard of mentoring practice. They will work collaboratively with stakeholders to inclusively meet the individual needs of the mentee. They will be committed to their own professional development and reflective practice as a mentor and within their sector.

They will typically work in an environment in their organisation where they are the knowledgeable other. They will work in a variety of locations and environments where mentoring activity may be undertaken face to face or remotely.

In their daily work, an employee in this occupation may interact with other professionals at any level of seniority in the organisation and the sector, such as: supervisors, managers, trainees, other experienced practitioners and where necessary, internal/external professionals to support meeting the individual mentee needs.

The learning and skills mentor will be responsible for the mentor relationship with the mentee working within ethical and legal frameworks and organisational boundaries to support the progression of the mentee. They may work with a wide range of stakeholders to support the progression of the mentee and ensure best practice is developed and maintained. The mentor may

be responsible for completing their own work to specification, with minimal supervision, ensuring they meet set deadlines.

Qualifications

English and Maths

Apprentices without level 2 English and maths will need to achieve this level prior to taking the End-Point Assessment. For those with an education, health and care plan or a legacy statement, the apprenticeship's English and maths minimum requirement is Entry Level 3. A British Sign Language (BSL) qualification is an alternative to the English qualification for those whose primary language is BSL.
