I had access to the Organisation's IT provision and internet for learning?

Strongly agree

Agree

Disagree

Strongly disagree

Comments.... when a computer was available
wifi did not work on my laptop.

I had access to Pathology IT systems, e.g. Telepath and Q-Pulse?

- Strongly agree
- Agree
- Disagree
- Strongly disagree

Comments....
I had access to Q pulse.
I did not have access to the pathology
folder until a few weeks later.

Section 5: Other

Is there any further constructive feedback or comments you would like to add?

- Yes
- No

Comments.... The staff could have been more
aware of our arrival and more
informed as to what they could teach
us. Other than that the placement was
enjoyed. It was very interesting and
it was good to see a good team-working
environment. ~~was the staff were friendly.~~
