## During your placement

### Placement Experience Offered

Covering AMUs and OPRA, alongside potentially seeing patients in ED & UCC. We work very closely with physiotherapists, focusing on discharge assessments. We ensure patients are referred onto community teams when appropriate.

### Strengths of the Placement

Enhance ability to problem solve  
Enhance rapid assessment skills.  
Enhance knowledge of medical conditions, investigations and treatment.  
Enhance communication with MDT  
Enhance positive risk management skills.  
Enhance time management skills.  
Enhance flexibility

### Limitations of the placement

Busy team, changeability of other staff due to part time work, so that support may not be consistent throughout.  
No specific models are used in this area although we utilise a number of different approaches.
